

PROJECT DESCRIPTION CONTINUED FROM SHEET 1

BY CLUSTERING THE ADMINISTRATIVE OFFICES TOWARDS THE FRONT OF THE BUILDING, THE ASSISTANTS WILL BE ABLE TO MONITOR THE MAIN ENTRANCE TO THE BUILDING. DIRECT ACCESS TO CHAPLAIN'S OFFICES FROM THE NARTHEX ALLOWS A DEGREE OF PRIVACY FOR THOSE COMING FOR COUNSELING. WAITING SPACE IN THE NARTHEX ADDS TO THE MULTIPLE USE OF THIS ROOM.

KITCHEN FACILITIES ARE LOCATED TO PROVIDE EASY ACCESS TO BOTH THE ACTIVITY ROOM AND THE NARTHEX, SO THAT SOCIAL ACTIVITIES AFTER WORSHIP CAN TAKE PLACE IN EITHER SPACE. THE CLASSROOM WHICH HAS ALSO BEEN DESIGNED TO FUNCTION AS A NURSERY, IS CONVENIENT TO THE ENTRANCE, TOILET ROOMS AND KITCHEN, BUT ALSO SLIGHTLY AWAY FROM WORSHIP SPACES AND OFFICES.

A SACRISTY, BAPTISTRY SUITE AND STORAGE ROOMS ARE CLUSTERED BEHIND THE WORSHIP CENTER. AS SERVICE ELEMENTS, THEY HAVE BEEN LOCATED AWAY FROM THE MORE PUBLIC FUNCTIONS.

THE EQUIPMENT ROOMS AND EQUIPMENT YARD ARE SIZED TO HANDLE A RELATIVELY TEMPERATE CLIMATE ZONE. WHERE CLIMATIC OR SITE SPECIFIC CONDITIONS REQUIRE MORE OR LARGER EQUIPMENT, ADDITIONAL SPACE MUST BE CONSIDERED IN THE PROGRAMMING.

THROUGHOUT THE BUILDING, PROVISIONS ARE TO BE MADE FOR AN INFORMATION MANAGEMENT SYSTEM. THIS MAY CONSIST OF TERMINAL/CONCENTRATOR CABINETS, RACEWAYS, OUTLET BOXES, DEVICE PLATES AND POSSIBLY SPECIAL ROOM. UNDERGROUND ACCESS TO THE INSTALLATION'S INFORMATION MANAGEMENT SYSTEM WILL BE REQUIRED. THE SPECIFIC NEEDS FOR SUPPORT OF THIS FUNCTION CHANGE QUICKLY. THE DESIGNER OF EACH PROJECT MUST ACQUIRE THE SPECIFIC CRITERIA NECESSARY FOR THAT PROJECT. GENERALLY INFORMATION MANAGEMENT SYSTEMS OUTLETS WILL BE PROVIDED FOR ADMINISTRATION WORK STATIONS AND OTHER LOCATIONS DESIGNATED BY THE ACTIVITY. THE LOCATION OF THE CABINET AND OUTLETS FOR THE INFORMATION MANAGEMENT SYSTEM WILL BE COORDINATED WITH THE LOCAL DIRECTOR OF INFORMATION MANAGEMENT.

THE ENTIRE FACILITY (EXCEPT FOR THE BAPTISMAL SUITE AND RAISED PLATFORM AREAS) MUST BE DESIGNED TO BE FULLY ACCESSIBLE TO THE HANDICAPPED USER FOLLOWING THE CRITERIA PROVIDED FOR EACH PROJECT. ALL OTHER CODES, ORDINANCES AND SAFETY REGULATIONS IN EFFECT AT EACH INSTALLATION MUST ALSO BE FOLLOWED.

THE DESIGN FOR THE FACILITY IS TO MEET CONSTRUCTION CRITERIA AS PROVIDED FOR EACH PROJECT. AS MOST CRITERIA DOCUMENTS WILL CHANGE OVER TIME. CONSTRUCTION TYPE, SUCH AS TYPE I OR TYPE II AS DEFINED IN THE UNIFORM BUILDING CODE, INTERIOR FINISH AND FLAME-SPREAD RESTRICTIONS WILL ALL NEED TO BE ACCOMMODATED ACCORDING TO CRITERIA MOST CURRENT AT THE TIME OF A PROJECT'S INCEPTION.

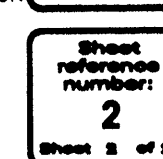

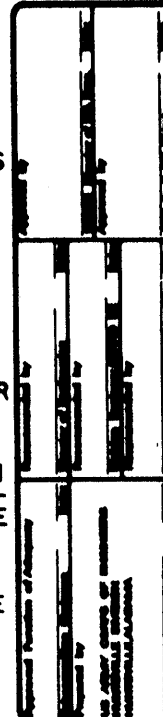

WHEN APPLYING SPECIFIC CRITERIA, REMEMBER THAT THE INTENDED USE OF THE BUILDING IS FOR THE ASSEMBLY OF MANY DIFFERENT SIZED GROUPS AND FOR MANY DIFFERENT PURPOSES. ASSEMBLY GROUPS RANGE IN SIZE FROM TWENTY PEOPLE UP TO FOUR HUNDRED PEOPLE IN SCHEME A AND UP TO SIX HUNDRED PEOPLE IN SCHEME B.

SITE DEVELOPMENT

IN ORDER TO ACCOMMODATE THIS FACILITY, A SITE OF APPROXIMATELY 1.8 TO 2.0 HECTARES IS DESIRABLE. THIS ALLOWS FOR SOME PARKING, PLACING THE BUILDING, AN OUTDOOR WORSHIP/GATHERING AREA, A PLAY AREA AND OTHER DESIRABLE SITE FEATURES.

THE SITE PLAN EXAMPLE SHOWN HERE INDICATES A DRIVE APPROACHING THE BUILDING FROM A SLIGHT ANGLE TO ACCENTUATE THE VIEW OF THE BUILDING AND SEPARATE THE ENTRY DRIVE FROM THE PARKING LOT. A DROP-OFF IS INCLUDED IN THE ENTRY SEQUENCE BENEATH A COVERED CANOPY. ALSO A BIKE PARKING AREA IS PROVIDED. ADEQUATE SITE LIGHTING FOR PEDESTRIANS AND CARS IS ALSO INCLUDED IN THE SITE DESIGN. FOLLOW PROVIDED CRITERIA FOR SPECIFIC REQUIREMENTS ABOUT THE DESIGN OF THESE FEATURES. ALSO CONSIDER THE UNIQUE FEATURES OF THE SPECIFIC INSTALLATION WHERE A PROJECT IS BEING SITED. ADJACENT PARKING AREAS MAY EXIST WHICH CAN BE SHARED OR THE PARKING MAY NEED TO BE PROTECTED FROM ALTERNATE COMPETING USES. THE EXAMPLE SITE PLAN SHOWS PARKING FOR ONLY 24 VEHICLES, WHICH MAY BE ADEQUATE IF A LARGE PARKING AREA ALREADY EXISTS ADJACENT TO THE SITE. HOWEVER, THE REQUIREMENT FOR EVERY PROJECT IS TO PROVIDE ADEQUATE PARKING FOR THE EXPECTED NEED. SPECIAL FENCING OR LIGHTING MAY ALSO BE NECESSARY AT ONE LOCATION AND NOT ANOTHER.
